**By Robert Kane : A Contemporary Introduction to Free Will** dallas contemporary is a non collecting art museum presenting new and challenging ideas from regional national and international artists entry on explanation in the sciences from the internet encyclopedia of philosophy A Contemporary Introduction to Free Will:

1 of 1 review helpful It s definitely a good book and is great for philosophy By Customer It s definitely a good book and is great for philosophy but it gets a lot of factual information wrong Just throwing out what I m reading now chapter 7 1 Kane writes that the Oklahoma City Bombing occurred on April 15 1995 but it actually occurred on April 19 their death toll is short by about 30 too ndash 130 vs 168 Sinila Accessible to students with no background in the subject A Contemporary Introduction to Free Will provides an extensive and up to date overview of all the latest views on this central problem of philosophy Opening with a concise introduction to the history of the problem of free will and its place in the history of philosophy the book then turns to contemporary debates and theories about free will determinism and related subjects like moral responsibility This book by far stands alone as the best book to introduce this topic to the introductory philosophy student It is stellar Kane is a master at capturing the kernel of even the most challenging and intricate issues in the free will debate showing
