By Alfred R. Mele : Motivation and Agency overview people are centrally concerned with motivation how to move themselves or others to act everywhere parents teachers coaches and managers struggle our childrens keeper child and family services is a program of mueded inc a non profit public benefit corporation we are a proud partner in californias

child Motivation and Agency:

What place does motivation have in the lives of intelligent agents Mele s answer is sensitive to the concerns of philosophers of mind and moral philosophers and informed by empirical work He offers a distinctive comprehensive attractive view of human agency This book stands boldly at the intersection of philosophy of mind moral philosophy and metaphysics This is a thoughtful detailed empirically informed and trenchant discussion of some main ideas and issues at the center of our understanding of the phenomenon of motivation including especially motivation of intentional action and intention but also in
