**By John Martin Fischer : Deep Control: Essays on Free Will and Value** Deep Control: Essays on Free Will and Value:

In this collection of essays a follow up to My Way and Our Stories John Martin Fischer defends the contention that moral responsibility is associated with deep control Fischer defines deep control as the middle ground between two untenable extreme positions superficial control and total control Our freedom consists of the power to add to the given past holding fixed the laws of nature and therefore Fischer contends we must be a As always Fischer is highly sensitive to the subtleties and intricacies of the arguments but has an uncanny ability to cut to the heart of the issues And as always he is charitable to his opponents Fischer s insights here as in his other work will prove
