By Marc Fleurbaey : Fairness, Responsibility, and Welfare the chancellor launched his raid on the welfare budget with a number of ideological damaging measures that would harm the young and vulnerable justice is the legal or philosophical theory by which fairness is administered the concept of justice differs in every culture an early theory of justice was set Fairness, Responsibility, and Welfare:

What is a fair distribution of resources and other goods when individuals are partly responsible for their achievements This book develops a theory of fairness incorporating a concern for personal responsibility opportunities and freedom With a critical perspective it makes accessible the recent developments in economics and philosophy that define social justice in terms of equal opportunities It also proposes new perspectives and original ideas The book separates Fairness Responsibility and Welfare offers various important insights into the seemingly complex topic of distributive implications of holding people partly responsible for their achievements the content of the book is easily attainable for a broader audi
