By Michael McKenna : Conversation and Responsibility mar 10 2017nbsp;sadhguru talks in conversation with the mystic arnab goswami with sadhguru new delhi mar 2017 download sadhguru notpetya ransomware attack shows corporate social responsibility should include cybersecurity Conversation and Responsibility:

In this book Michael McKenna advances a new theory of moral responsibility one that builds upon the work of P F Strawson As McKenna demonstrates moral responsibility can be explained on analogy with a conversation The relation between a morally responsible agent and those who hold her morally responsible is similar to the relation between a speaker and her audience A responsible agent s actions are bearers of meaning agent meaning just as a speaker s utterances About the Author Michael McKenna is Professor of Philosophy and Keith Lehrer Chair University of Arizona
