Addictive behavior threatens not just the addict's happiness and health but also the welfare and well-being of others. It represents a loss of self-control and a variety of other cognitive impairments and behavioral deficits. An addict may say, "I couldn't help myself." But questions arise: are we responsible for our addictions? And what responsibilities do others have to help us? This volume offers a range of perspectives on addiction and responsibility and how to address the complex and important topic of responsibility and addiction. Harold Kincaid, Professor of Philosophy, Sociology.
