Essays on the Philosophy of David Foster Wallace:

The book *Fate Time and Language An Essay on Free Will* published in 2010 by Columbia University Press presented David Foster Wallace's challenge to Richard Taylor's argument for fatalism. In this anthology notable philosophers engage directly with that work and assess Wallace's reply to Taylor as well as other aspects of Wallace's thought. With an introduction by Steven M. Cahn and Maureen Eckert, this collection includes essays by William Hasker, Hunt Cahn, and Eckert. They have here assembled a very fine collection of essays on philosophical themes in the work of the acclaimed novelist David Foster Wallace, whose philosophical talents are only just being recognized. Philosophers interested in the topic of fatalism
