By Tim O'Keefe : Epicurus on Freedom epicurus is one of the major philosophers in the hellenistic period the three centuries following the death of alexander the great in 323 bce and of aristotle in epicurus 341 270 bc was a greek philosopher of the hellenistic period he was the founder ancient greek philosophical school of epicureanism whose main goal Epicurus on Freedom:

The ancient Greek philosopher Epicurus 341 271 0 BCE has attracted much contemporary interest Tim O Keefe argues that the sort of freedom which Epicurus wanted to preserve is significantly different from the free will which philosophers debate today and that in its emphasis on rational action has much closer affinities with Aristotle s thought than with current preoccupations His original and provocative book will be of interest to a wide range of readers in Hell O Keefe is a helpful and masterful guide through the complex philosophical issues and fragmentary pieces of evidence relevant to Epicurus determinism and the swerve Mi Kyoung Lee Journal of the History of Moral Philosophy
