leading philosopher of religion presents several Dialogues about God (New Dialogues in Philosophy):

2 of 2 review helpful Engaging Approach for Young Students By Luke I teach 100 200 level philosophy courses and as I m sure most other professors will agree students seem to engage more by writing that is done in a dialogue style format My guess is that this is typically because the material is explained in a more succinct and direct manner I stress typically as some will likely say Plato is neither succinct no dir One in the series New Dialogues in Philosophy edited by Dale Jacquette Charles Taliaferro a leading philosopher of religion presents several fictional dialogues among characters with contrasting views on the existence of God The views express the many standard positions theism atheism skepticism and other nuanced arguments about the nature of God In a series of five inspired original debates Taliaferro taps into several famous exchanges including those among A promising new series that offers notable contemporary philosophers the opportunity to write books in a neglected format that has proven historically to be remarkably fruitful Steven M Cahn As Plato knew something lives in dialogue that no ot
