**By Andrew Gamble : Politics and Fate** aug 27 2017nbsp;by a party line vote of 52 48 the senate voted to close

debate on devos nomination by president donald trump which has sparked a controversy unlike any post politics from the washington post is the source for political news headlines in depth politics coverage and political opinion plus breaking news on the obama Politics and Fate:

Politics was once regarded as an activity which could give human societies control over their fate However there is now a deep pessimism about the ability of human beings to control anything very much least of all through politics This new fatalism about the human condition claims that we are living in the iron cages erected by vast impersonal forces arising from globalization and technology a society that is both anti political and unpolitical a society without ho In 120 taut thought provoking pages Gamble has sought to rescue politics from fatalism to show that the iron cages in which contemporary elites have taken shelter are not iron after all to confute the pessimism of the times by posing a challenge to endi
