By Richard Velkley : Freedom and the Human Person (Studies in Philosophy and the History of Philosophy)
philosophy of law philosophy of law or legal philosophy is concerned with providing a general philosophical analysis
of law and legal institutions the philosophy of freedom is the fundamental philosophical work of the philosopher and

esotericist rudolf steiner 1861 1925 it addresses the questions whether Freedom and the Human Person (Studies in Philosophy and the History of Philosophy):

In the Western tradition freedom and the human person have been at the center of philosophical theological moral and political debates since the origins of this tradition Although contemporary discourse betrays the multiplicity of these roots the necessary historical perspective for evaluating them is almost always lacking even in scholarly studies The terms freedom and person carry such overwhelming force in the modern world that the critical distance req
