By Shari Goldberg : Quiet Testimony: A Theory of Witnessing from Nineteenth-Century American Literature

Quiet Testimony: A Theory of Witnessing from Nineteenth-Century American Literature:

The nineteenth century was a time of extraordinary attunement to the unspoken the elusively present and the subtly haunting Quiet Testimony finds in such attunement a valuable rethinking of what it means to encounter the truth It argues that four key writers Emerson Douglass Melville and Henry James open up the domain of the witness by articulating quietude rsquo s claim on the clamoring world The premise of quiet testimony responds to urgent questio Quiet Testimony proceeds from a deceptively simple question Who testifies in nineteenth century America The several answers Shari Goldberg exacts through the book rsquo s five chapters amount to a provocative reformulation of the concept of human agency wit
