**By John C. Wilhelmsson, Charles Bradlaugh : Seven Great Freethinking Philosophers: Zeno, Epicurus, Augustine, Averroes, Descartes, Spinoza, & Edith Stein** Seven Great Freethinking Philosophers: Zeno, Epicurus, Augustine, Averroes, Descartes, Spinoza, & Edith Stein:

In an age of conformity brought on by huge cult like corporations and ubiquitous social media is there still a road less traveled one might choose to follow How better to confront the conformity of the 21st century than by consulting history s seven great freethinking philosophers We live in a time of stereotypical ignorance Christians have narrow minds and oppose diversity Muslims value blind faith over reason and Women have never made any great contributions A vigorous guide to freethinking philosophy Everything presented here is clear and understandable and increasingly necessary in this day and age of mob mentality The backgrounds of the philosophers are also quite fascinating A well presented and inte
