**By Hugo Strandberg : Self-Knowledge and Self-Deception** define self myself himself herself self in a sentence in this paper i argue for the claim that self love is a precondition for self knowledge this claim is relevant to the

contemporary philosophical debate on self Self-Knowledge and Self-Deception:

The aim of this book is to acquire a better understanding of the question who am I By means of the concepts of self knowledge and self deception questions about the self are studied The light in which its topic is seen is the light of love the light in which other people really become visible and so oneself in one s relation to them Ildquo Self Knowledge and Self Deception while well written and engaging is a scholarly work filled with references hellip the author is quite good at guiding the reader by being very explicit about what he aims at noting how he differs from Socrates
