**By Claus Janew : How Consciousness Creates Reality** consciousness we exist in a matrix simulation hologram or virtual programmed reality that we believe is real because our brains tell us it is science works best when in harmony with nature if we put these two together we can discover great technologies that can only come about when the

consciousness of How Consciousness Creates Reality:

1 of 2 review helpful Nonsense By wadi I think there are two kinds of difficult books Those for which difficulty is intrinsic to the subject and those which are difficult because they contain nonsense I m firmly convinced that how consciousness creates reality belongs to the second category I m adding that I don t write this lightly as a phd in both mathematics and physics and as an author myself I m not afraid spend This book is written out of the desire to examine the structure of our reality from a standpoint unbiased by established teachings be they academic scientific popular esoteric or religious in nature Claus Janew begins with seemingly simple interactions in our daily lives examines how they originate on a deeper level comes to understand the essentials of consciousness and finally recognizes that we create our reality in its entirety In the course of this quest th About the Author Claus Janew lives in Dresden and Bonn Germany and has been an independent researcher in philosophy for 28 years He discovered the infinitesimal structure an explanation of both consciousness and reality being a direct solution to the prob
