## The Specific Density Of Scientists: And Their Secret Fears:

1 of 4 review helpful Compelling logic By Vern Hall Very well written but not for the slow of mind Some pretty complex ideologies are explored from a variety of angles 0 of 4 review helpful Some Scientists Really Are Dense By DC As an expert in understanding and defining the cult mentality David Conn manages through logic and his strong faith to explain the in Praise for THE SPECIFIC DENSITY OF SCIENTISTS As an expert in understanding and defining the cult mentality David Conn manages through logic and his strong faith to explain the inability or the refusal of many scientists to separate the spiritual self from the scientifically driven self in other words to bifurcate This he boldly says is their real path to illumination to Jesus Christ the only source of Truth the creator not only About the Author David Conn a lead analyst at Chevron s environmental lab and later a Quality Control Liaison between Naval and Air Force bases and the Defense Department was educated at Contra Costa College American River College and Sacramento State Univers
