By Walter Alter : Panoply Ex Machina the old west is the setting of many movies with an enduring place in the mythology of america illustration quot;blackfeet indians three buttesquot; engraving from the the internet is where we do most of our shopping and a solid 90 of it is done at amazon jeff bezos has turned his humble bookstore into a sort of automat of Panoply Ex Machina:

The over arching problem chronically facing humanity has always been the inability of its constituent members to think for themselves period As biological beings we are complex The Universe surrounding us is complex The civilizations we create are complex But the way we solve problems is to put it kindly simple minded To put it not so kindly our methods are cartoonish low resolution infantile grasping short sighted self serving neurotic crowd pleasing na
