**By George Ortega : Exploring the Illusion of Free Will, Second Edition** we tend to accept that people in authority must be right its this assumption that socrates wanted us to challenge by urging us to think logically about the nonsense tabtight professional free when you need it vpn service Exploring the Illusion of Free Will, Second Edition:

6 of 6 review helpful A caveat for the would be buyer By Sprezzatura I happened to notice that the author of this book is the same author as Free Will The Ultimate In Nonsense although this later books does not acknowledge this Whether if Enel Vale is a pen name and George Ortega is the authors real name vice versa or both are pen names something about this duplicity struck me as off I do not have all the information Note For the paperback edition the author has omitted chapter 2 While free will is the most discussed topic in philosophy few books unequivocally refuting the notion have been published Dan Wegner rsquo s 2002 The Illusion of Conscious Will a pioneering powerfully documented exception psychology has essentially ignored the matter That refuting the notion is profoundly important is not asserted solely by author George Ortega American philosopher John Searle wh
