By Ed Smith : Luck: What It Means and Why It Matters moral luck a case of moral luck occurs whenever luck makes a moral difference the problem of moral luck arises from a clash between the apparently widely held apr 03

2013nbsp;isolation v loneliness the difference and why it matters researchers from university college london followed thousands of Luck: What It Means and Why It Matters:

1 of 1 review helpful Warm but anecdotal By Souvik Mitra This book emphasizes the aspect of chance in our lives it does so by telling many good stories Many of these are stories of cricket cricketers of Englishmen of family friends Smith veritably attacks the notion that many of the outcomes of our industry could be solely credited to individual skill In fact in many of the stories he narrates he makes the point For aspiring cricketer Ed Smith luck was for other people Like his childhood hero Geoff Boycott the tough flinty Yorkshireman the young Ed knew that the successful cricketer made his own luck by an application of will power elimination of error and the relentless pursuit of excellence But when a freak accident at the crease at Lords prematurely ended Ed Smith s international cricketing career it changed everything and prompted him to look anew at his own I Only those with scars on their body should be taken seriously when they talk about randomness Ed is one of them he is for real Nassim Nicholas Taleb author The Black Swan on Luck Very very well written excellent story telling great ideas Brilliant
