**By Jan Narveson : The Libertarian Idea** we the members of the libertarian party challenge the cult of the omnipotent state and defend the rights of the individual we hold that all individuals have the libertarianism what it

means to be a quot;libertarianquot; in a political sense is a contentious issue especially among libertarians themselves there is no single theory The Libertarian Idea:

25 of 26 review helpful An Excellent Justification of Libertarianism By A Customer Drawing on the recent work of David Gauthier Jan Narveson has set out to provide libertarianism the foundations missing from Nozick s \_Anarchy State and Utopia\_ In Part I Narveson sets out to clarify the libertarian thesis and in doing so rescue it from charges of incoherence This mainly involves a detailed refutation of th Libertarianism is both a philosophy and a political view The key concepts defining Libertarianism are Individual Rights as inherent to human beings not granted by government a Spontaneous Order through which people conduct their daily interactions and through which society is organized independent of central government direction the Rule of Law which dictates that everyone is free to do as they please so long as they do not infringe upon the rights of others lquo This book is an important examination of both contractarianism and libertarianism And beyond its intriguing central theses and its pointed applications of libertarian premises to policy issues it provides an extensive and valuable critical commentar
