7 of 7 review helpful Sad edition By Richard This edition is awful There are no page numbers paragraph numbers The translation is rather awkward at times The book itself is important and useful but this edition is definitely not for the scholar and for the ordinary reader I think it will be less than very useful Try another edition 0 of 0 review helpful God

s Will really is the only wa A portion of this remarkable work in English has already appeared in America but many readers to whom this precious little book has become a favourite will welcome a complete translation especially as what has already appeared in the English version may be considered as merely the theoretical part whilst the Letters of Direction which form the greater portion of the present work give the practical part They answer objections solve diffietdies and give practica In his famous classic Father de Caussade makes one point and illustrates it in many different ways That point is do the will of God to the best of your ability and you will attain peace of soul here and life everlasting hereafter Extra value of the new Ig
