5 of 6 review helpful This Book is a Must Read By J Phillips This book is remarkable in so many ways It is riveting thought provoking and beautifully written and it has led to any number of fascinating discussions among my friends Kudos to Dr Ravven for this much needed and visionary book 2 of 3 review helpful Good Read By Kindle Customer I would definitely recom Few concepts are more unshakable in our culture than free will the idea that individuals are fundamentally in control of the decisions they make good or bad And yet the latest research about how the brain functions seems to point in the opposite direction with fresh discoveries indicating the many ways in which humans are subject to influences well beyond the control of the conscious self In The Self Beyond Itself acclaimed scholar Heidi M Ravven off As she delves deeply into the cognitive cultural and philosophical sources of moral agency Ravven takes careful note of the emerging brain sciences A must read for anyone interested in the breadth and depth of our moral mentality rdquo Jaa
