(Bloomsbury Studies in Philosophy of Religion)

The Mechanics of Divine Foreknowledge and Providence: A Time-Ordering Account (Bloomsbury Studies in Philosophy of Religion):

How exactly could God achieve infallible foreknowledge of every future event including the free actions of human persons How could God exercise careful providence over these same events Byerly offers a novel response to these important questions by contending that God exercises providence and achieves foreknowledge by ordering the times The first part of the book defends the importance of the above questions After characterizing the contemporary freedom for ldquo T Ryan Byerly offers a refreshingly original account of how divine foreknowledge and providence might be achieved This is an important contribution to philosophical theology and metaphysics which should be studied and discussed widely in coming years
