**By Christopher Janaway : Schopenhauer: A Very Short Introduction (Very Short Introductions)** tomsk is a very dull town to judge from the drunkards whose acquaintance i have made and from the intellectual people who have come to the hotel to philosophy is the systematic study of the foundations of human knowledge with an emphasis on the conditions of its validity and finding answers to ultimate questions Schopenhauer: A Very Short Introduction (Very Short Introductions):

6 of 6 review helpful if you are interested in literature and the arts or would like have a deeper understanding of the challenges we all By Glenn Russell Christopher Janaway s little book on the life and philosophy of 19th century German thinker Arthur Schopenhauer makes for a most engaging and thought provoking read Indeed if you are interested in literature and the arts or would like have a deeper understanding of Schopenhauer is the easiest to listen to of German philosophers This book gives a succinct explanation of his metaphysical system concentrating on the original aspects of his thought which inspired many artists and thinkers including Nietzsche Wagner Freud and Wittgenstein Schopenhauer s central notion is that of the will mdash a blind irrational force that he uses to interpret both the human mind and the whole of nature Seeing human behavior as that of an excellent brief introduction to Schopenhauer s thought well written concise and pitched at just the right level Christopher Norris University of Wales About the Author KYLE MUNLEY is a voice actor whos
