By John Lambrakis : Luck: Characteristics_Philosophy-Book1 (Volume 1) Luck: Characteristics_Philosophy-Book1 (Volume 1):

0 of 0 review helpful Excellent ideas By Konstantinos Karatolios Excellent ideas The extremely interesting sections of the book are in my opinion the 1st and 4th The author analyses common concepts about luck in an advanced manner

and at the same time he introduces novel ideas such as "Invisible luck" "Randomness of luck" etc. The brief presentation of historical philosophic concepts about luck. If at some point you have wondered about the nature and characteristics of luck and while reading the contents of the book you discover that you have not approached adequately or at all most of the concepts developed in it then you should definitely get this book. As stated in the introduction: "In no way do I claim to hold the truth about a subject as complex as luck which as we have seen easily moves from philosophical ambiguity to metaphysical prohibition." But About the Author: John Labrakis was born in Volos, Magnesia, Greece in 1968. He graduated from the Department of Biology of the National Kapodistrian University of Athens in 1993. Occasionally he records his ideas and when he feels that they can form the basis of
