By Michelle Dean : Life in a Skinner Box: A Memoir i love memoir always have anne lamott david sedaris annie dillard even stephen king theres something magical about the ability to transform ordinary wladyslaw szpilman author of quot;the pianistquot; includes historical and biographical background information as well as links to numerous off site reviews Life in a Skinner Box: A Memoir:

1 of 1 review helpful Life in a Skinner Box Truly Tells that All Have Hidden Secrets in Our Lives By John This gave

me hope for myself that true strength comes from failures with personal relationships for many of my good friends It is when things are the worst that purity of the soul shows what one is truly made I loved the book from the start to the finish The book Life in a Skinner Box brought b Dean s story telling is as real as it gets while she takes the reader on a visceral and intellectual journey of a life examined After her parents divorce Dean an only child is raised by her rational father who interacts with her through logic and science Yet as a soulful young girl Dean has a deep desire to love and be loved Because this important piece of her core is never recognized or affirmed she spends years searching for someone or something that c From the Author This is a work of creative nonfiction I made every effort to retell these stories in a way that accurately evokes the true feeling and meaning of what occurred to the extent my memory allowed In some cases I compressed events filled in
