**By David Edward Rose : Free Will and Continental Philosophy: The Death without Meaning (Continuum Studies in Continental Philosophy)** Free Will and Continental Philosophy: The Death without Meaning (Continuum Studies in Continental Philosophy):

Free Will and Continental Philosophy explores the concepts of free will and self determination in the Continental philosophical tradition David Rose examines the ways in which Continental philosophy offers a viable alternative to the hegemonic scientific approach taken by analytic philosophy Rose claims that the problem of free will is only a problem if one makes an unnecessary assumption consistent with scientific rationalism In the sphere of human action we It is widely recognised that we live in a time which is more resistant than eighteenth and nineteenth century thinkers knew how to be to teleological conceptions of a final end of history The classical idea that history would culminate in the realisation of
