**By Vivake Pathak : God & Destiny** real time problems and outages for destiny cant play online is the server down here you see what is going on the pronoun you is the second person personal pronoun both singular and plural and both nominative and oblique case in modern english the oblique objective form God & Destiny:

God Destiny tells correctly and exactly what God is and reveals God's true attributes and influence. In the process it also shows whatever has to happen in the universe in the future including whatever has to happen in our lives in the future is predestined and absolutely unchangeable. In the light of the knowledge of God it brings out the truth from and behind the key beliefs of the major theistic religions. Written primarily for general audiences, God Destiny will be the nectar of knowledge can be achieved only through contemplation. Vivake has tried appreciably to budge the human conscience. I congratulate him for the writing he has done with tireless labour. He has succeeded in elaborating the subject with up to date sci
