Hugh Binning (Classic Reprint):

1 of 1 review helpful genev By genev Since there is no active table of contents provided it is suggested that on the initial reading of the text the reader establish a table of contents with locations in a computer spread sheet so as to facilitate later readings of this material You will find it to be well worth your time and effort Quotes included in this entry include This then is the proper work that man Though the author of the following discourses occupied by no means an inconspicuous place among his contemporaries and for nearly the last two hundred years his name and works have been familiar to Scottish Christians very few particulars of his life have been recorded A very few pages indeed are sufficient to exhibit all that can now be related concerning him The edition of his works in a small quarto published in 1735 contains a Memoir prefixed of a length much
